

Detailed information about the facilities available to International Patients

What Dr. Balabhai Nanavati Hospital International Helpdesk Can Do For You:

From ensuring your **airport pick up**, to organizing your **hotel accommodation**, arranging your **trips to tourist places** in India, and customizing itineraries for you, **we cater to all your medical and travel needs** and ensures you have a pleasant stay in India. Our travel partner, offers complete travel solutions for your holiday in India. We also provide **interpreters and language translators** for international tourists, to ensure a smooth flow of communication.

Ambulance Transfers: For patients who require medical assistance from the airport itself, we will provide ambulance transfers from the airport to the hospital/ hotel and back.

72 Hours Response Time: If you wish to travel to India for medical treatment, at the Dr. Balabhai Nanavati Hospital Mumbai, please send us copies of your medical records by e-mail. A specialist doctor at the Hospital will study these records. You will receive a **suggested response within a guaranteed period of 72 hours** about the possible nature and duration of your treatment, attested by the consulting specialist. We also have a fully functional Telemedicine Department so all your queries can be handled by our competent team of professionals. Patient confidentiality is assured.

Our travel and tourism partner **will take care of all your transport arrangements**, including **airline ticketing, transport to and from the airport and travel and sightseeing in India**. The **medical component of your tour will be handled by Dr. Balabhai Nanavati Hospital Mumbai** which is strategically located close to the international and in country airport.
