

Healing the Gender Imbalance

The nursing profession is dominated by a women workforce. Varsha Sutarve digs deeper into the reasons for the skewed gender divide

Varsha Sutarve

Expressive and spirited in all that she takes up, Varsha Sutrave relishes writing on subjects that fascinate her. Loves reading Self Development genre of books and journals – yes! the stuff that is easy to consume and hardest to execute. Varsha is a Biomedical Engineer and has a Masters in Hospital and Healthcare Management from Symbiosis, Pune
