To,
Nanavati Team,

Sub - Thank you letter to doctors.

Respected sir,

Thank you for your excellent work while performing surgery for my father condition. Your hands are skilled. My father pain has been minimal during recovery. I will be recommending to everyone I know who also as (condition)

We were very nervous about having surgery to my father. Thank you for describing what would happen before, during and after surgery. The information provided helped me to move forward with the father surgery. My father ~~feels~~ feeling much better now. The staff who took care of my father are so humble and kind.

We will definitely take care of all those things that you have suggested us.

Thank you all so much for your excellent skill and care. Thank you for your kind attention for last few weeks.

Thank you doctors (Dr. Shirodkar, Dr. Rohit Shahapurkar,
Dr. Sushant Patil)

Thank you Nanavati Team,

Thanking you,

Yours sincerely,
Amruta Vilas Raut.
