17<sup>th</sup> December, 2018

Dr.Rajendra Patankar  
COO, Nanavati Super Speciality Hospital  
Vile Parle west

Dear Dr.Rajendra,

I would like to sincerely thank you for the Medical Camp conducted at Dilkhush Special School, Juhu on 15<sup>th</sup> December, 2018. You have generously offered your service to our children by allotting the panel of best doctors for this camp. Your enthusiasm and keenness to serve the marginalised in the society is very evident from the way you responded to this noble cause.

The parents, staff and children were very happy with the outcome. For being partner with us, in trying to provide better health care for our children, our sincerest gratitude. We are also looking forward to have an association with you in the coming years too, to have this annual check up of our children.

May the generous hand of the Lord Bless and keep you safe, and help you in your noble mission.

Just to express our gratefulness, I am enclosing a token of gratitude to you.

Much Love and prayers,

Yours Sincerely,

*Sr. Bindu Michael*
